

Appendix D—Continuing Education Units

Acquisition, technology, and logistics employees may meet professional association continuing education requirements by taking DAU-sponsored courses. DAU is a member of the International Association for Continuing Education and Training (IACET), a nonprofit membership group of over 650 organizations and individuals involved in continuing education. As such, DAU is an authorized provider of Continuing Education Units (CEUs), a measure of continuing education participation for many professional associations and organizations. CEUs can also be converted to Continuous Learning Points

(CLPs) to meet the DoD continuous learning requirements. Generally, 1 CEU equals 10 CLPs. (Please note that CEUs are not measures of academic credit. See Appendix C for DAU courses eligible for academic credit.)

The following table provides the CEUs for each DAU-sponsored course, which may be applied toward professional requirements. For more information on CEUs, contact Mr. Corey Davis at (703) 805-3576 or corey.davis@dau.mil. For updates go to www.dau.mil/learning/apph.asp.
